## New Branch Opening Soon!

We are excited to announce our plans to open a new-construction branch, located just off the highway on E. South Street in Jackson.

"We are pleased to find a new location in Jackson County to provide additional convenience in serving our members," said Terri Papiersky, CEO of South Central Credit Union. "Member satisfaction and ease in banking remains a top priority for us. Providing a new branch location where there is significant demand is one of the most important ways we give back to our members."

The full-service branch will be 2,900 square feet and will feature three teller stations, four member service offices and a drive-thru lane. The new branch is the Credit Union's second branch location in the Jackson area. Full construction has already begun. Stay tuned for future updates on our progress.
