

South Central Credit Union's Holiday Skip-A-Pay Coupon

We know this year has been rough. Loosen the squeeze on your wallet with our holiday Skip-A-Pay option! For \$30 per loan, you can "Skip" November or December's payment. Heloc's, mortgages, & VISAs are excluded. A first loan payment on any new contract is not eligible and all loans must be current. This form must be received seven (7) days in advance of the due date you wish to skip. Please note that interest continues to accrue and will be deducted from future payments. The "skipped" payment will extend your loan another month.
