Jackson, MI – October 30, 2025 – The Board of Directors of South Central Credit Union are pleased to announce the appointment of Eric Samon as the new President and Chief Executive Officer, effective November 3, 2025.

Samon succeeds Terri Papiersky, who is retiring after years of dedicated service and leadership to the credit union and its members.

“Eric’s leadership, experience, and deep understanding of South Central Credit Union’s culture makes him the perfect choice to guide our organization into the future,” said Judy Jove Landau, Chair of the South Central Credit Union Board of Directors. “The Board is confident that under his leadership, SCCU will continue to grow and thrive while staying true to its mission of serving our members and community.”

Samon began his career at South Central Credit Union in January 2013 as a teller, where his dedication and passion for helping members quickly became evident. He advanced to the accounting department, and in February 2016, was promoted to Executive Vice President. Throughout his career, Samon has played a key role in SCCU’s financial growth, operational improvements, and commitment to exceptional member service.

“It’s an honor to continue serving the members of South Central Credit Union in this new capacity,” said Samon. “I’ve been proud to grow my career here and to be part of an organization that truly puts members first. I look forward to building on our strong foundation and continuing to support the Jackson community we call home.”

Samon holds both a Bachelor of Science in Business Administration and a Master of Business Administration from Central Michigan University. He also serves on the Board of Directors for Big Brothers Big Sisters and the Southern Michigan Chapter of Credit Unions Board, reflecting his ongoing commitment to community service and industry collaboration.
